- ◆ *Coffee and doughnuts served*
- ◆ *Informational tours every 15 minutes*

DENT MILLER CAMPUS at
Statesville Christian School
1210 Museum Road
Statesville, NC 28625

Statesville Christian School is a non-denominational independent Christian school with academic classes for grades JrK—12. We partner with families from 35+ different area churches to achieve goals for our students. Our SAT scores are significantly higher than state and national averages, with HS graduates attending colleges from Duke to Colorado State. We offer ministry opportunities in every grade, and our Christ-centered sports programs have teams earning national championships. Our students compete in annual ACSI competitions and bring home many awards. We have an annual musical production and a showcase of SCS talent. Please join us at Open House and see how God has blessed SCS, and consider joining a school community that is founded on eternal truths and is matched to the times.
